**Course Description:** Spend your April vacation visiting some of the finest museums and cities in the world looking at some of the world's greatest art and architecture! This seven-day excursion to Italy will be led by Diana Hampe, and local guides. Days will be spent in museums with gallery talks and city tours lead by local guides with extensive knowledge of the historical, social, and political significance of the paintings, sculptures, and architecture. Each morning and afternoon will feature a guided tour and entrance to The Borghese, Vatican, and Capitoline Museums in Rome, The Uffizi Galleries and the Accademia in Florence, The Palazzo Pubblico and Duomo in Siena, and the Accademia and Guggenheim museums and the Doges Palace in Venice. A comfortable private bus for transport to and from the airports and between cities, American breakfast, three dinners, and a personal tour escort are included in this custom art tour. Evenings will be on your own if you choose, or for exploring as a group. The hotels will feature double rooms and a location chosen for proximity to shopping and other sites to explore after the afternoon tour. An afternoon trip to Sienna and San Gimignano will be an opportunity to wander through medieval streets and an afternoon in Venice will offer a time to ride in a gondola. Single rooms will be an option at additional cost. This is an opportunity to see the art and architecture that has shaped western civilization in a small, personalized setting. You don't need to be an art teacher to enhance your curriculum through the learning experiences and enjoy this trip!
