**Course Description:** This class is designed to help teachers and paraprofessionals conduct, analyze, and plan curriculum using the ABLLS (Assessment of Basic Language and Learning Skills.) Lecture, group work, review of completed assessments and programs, discussion, and analysis of current programming will all be used to foster participants' development of appropriate skills.

Class 1: Participants will learn how to conduct an ABLLS assessment. Practice of task questions will be included. Participants are encouraged to conduct an ABLLS assessment on a current student following this session to be used in later classes.

Class 2: Participants will learn to analyze a completed ABLLS assessment and target priority areas for discrete and incidental skill instruction. Transfer of ABLLS to IEP goal and benchmark writing will be included.

Class 3: Participants will learn to create discrete trial and incidental-based programs using analyzed ABLLS. Practice of academic, social, and life-skill programs are included.

**About the Instructor: Shauna Jean**, M.S. Ed., BCBA is the Behavior Specialist/Home Education Coordinator for The Education Cooperative.
