

The Education Cooperative (TEC) Winter Weather Protocol

HOW WILL YOU KNOW IF TEC HAS CANCELED SCHOOL OR A DELAYED THE OPENING?

In the event that your child's program is closed or has a delayed opening, a recorded phone message will be sent to each family's primary phone contact through our notification system, K12 Alerts.

Additionally, you can follow the school closing/delay announcement from **the school district where your child's program is located.**

1. All TEC programs located in Walpole – TEC CAMPUS SCHOOL, TEC HIGH SCHOOL AND TEC PHOENIX ACADEMY, will follow the school cancelation decision made by The Walpole Public Schools. **If the Walpole Schools are closed or delayed, all TEC programs in Walpole are closed or delayed.**
2. TEC programs at Westwood High School will follow the school cancelation decision made by The Westwood Public Schools. **If the Westwood Schools are closed or delayed, the TEC programs at Westwood High School are closed or delayed.**
3. TEC programs at Hopkinton Middle School will follow the school cancelation decision made by The Hopkinton Public Schools. **If the Hopkinton Schools are closed or delayed, the TEC programs at Hopkinton Middle School are closed or delayed.**
4. If all TEC programs in every community are closed or delayed, you will see a closing or delay alert from The Education Cooperative.

Transportation:

We encourage families to contact their child's Van Driver to be sure they are aware of any delays or closings. Please note that if your local community cancels or delays school, van transportation to TEC might not be available to transport your child or may operate on the sending district's delayed schedule.

Questions? Please contact your child's Program Director:

Meredith Faletra, Director of TEC Campus School - 781-352-5726
Deborah Caligaris, Director of TEC High School - 781-352-5745
Sheila Thomas, Director of TEC Phoenix Academy- 781-352-5703

Under rare circumstances, the Executive Director may determine that inclement weather that threatens to make the afternoon commute unsafe requires an early dismissal from school. If such a decision is made, TEC will notify families using the automated phone, text and email system.
